

6. ORPHANAGE VISIT – 01/01/2022

On this New Years' eve, we had the opportunity to begin the year with reminding ourselves that happiness lies in serving humanity. We spent the day with the children of IGM home, Guduvancheri and provided them food. We also shared food, books, and stationery collected as a part of the donation drive held during December to the orphanages – Kamaraj Illam, Bavishya Deepam and IGM.

As we entered, the children happily greeted us with New year wishes. We spent our time playing and talking with the children. We provided refreshments also served them lunch. The time spent with the children was precious. We bid goodbyes to them with the satisfaction of spreading happiness.

Providing refreshments

Donating things to Bavishya Deepam orphanage
